Steers continue winning streak

By Jose Morales

The Robert Lee Steers traveled to Paint Rock to take on the Indians and came back home with another win. On a beautiful Fall evening, the game was all Steers from beginning to end, with the Steers imposing their will in all aspects of the game. The Steers started with a strong defense, stopping the Indians right away, followed by a great display of offensive power, scoring in every drive going into the half with a big lead. After the break, the Steer offense would finish the game with a long touchdown run by Sophomore Josh Garcez to seal another mercy rule win. The Steers improve to 6-2 for the season and 2-0 in the district.
