The application will be available for viewing and copying at the TCEQ central office, TCEQ San Angelo regional office, and the Coke County Library, 706 Austin Street, Robert Lee, Coke County, Texas beginning the first day of publication of this notice. The facility's compliance file, if any exists, is available for public review in the San Angelo regional office of the TCEQ.

The executive director has determined the application is administratively complete and will conduct a technical review of the application. In addition to the renewal, this permitting action includes the incorporation of permits by rule and standard permits related to this permit. The reasons for any changes or incorporations, to the extent they are included in the renewed permit, may include the enhancement of operational control at the plant or enforceability of the permit. **The TCEQ may act on this application without seeking further public comment or providing an opportunity for a contested case hearing if certain criteria are met.**

PUBLIC COMMENT. You may submit public comments to the Office of the Chief Clerk at the address below. The TCEQ will consider all public comments in developing a final decision on the application and the executive director will prepare a response to those comments. Issues such as property values, noise, traffic safety, and zoning are outside of the TCEQ's jurisdiction to address in the permit process.

OPPORTUNITY FOR A CONTESTED CASE HEARING. You may request a contested case hearing if you are a person who may be affected by emissions of air contaminants from the facility. If requesting a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number; (2) applicant's name and permit number; (3) the statement "[I/we] request a contested case hearing;"(4) a specific description of how you would be adversely affected

by the application and air emissions from the facility in a way not common to the general public; (5) the location and distance of your property relative to the facility; (6) a description of how you use the property which may be impacted by the facility; and (7) a list of all disputed issues of fact that you submit during the comment period. If the request is made by a group or association, one or more members who have standing to request a hearing must be identified by name and physical address. The interests the group or association seeks to protect must also be identified. You may also submit your proposed adjustments to the application/permit which would satisfy your concerns.

The deadline to submit a request for a contested case hearing is 15 days after newspaper notice is published. If a request is timely filed, the deadline for requesting a contested case hearing will be extended to 30 days after mailing of the response to comments.

If any requests for a contested case hearing are timely filed, the Executive Director will forward the application and any requests for a contested case hearing to the Commissioners for their consideration at a scheduled Commission meeting. Unless the application is directly referred to a contested case hearing, the executive director will mail the response to comments along with notification of Commission meeting to everyone who submitted comments or is on the mailing list for this application. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material air quality concerns submitted during the comment period. Issues such as property values, noise, traffic safety, and zoning are outside of the Commission's jurisdiction to address in this proceeding.

MAILING LIST. In addition to submitting public comments, you may ask to be

placed on a mailing list for this application by sending a request to the Office of the Chief Clerk at the address below. Those on the mailing list will receive copies of future public notices (if any) mailed by the Office of the Chief Clerk for this application.

DeLa Express

OPEN HOUSE INVITATION

DeLa Express LLC, a subsidiary of Moss Lake Partners LP, invites you to an upcoming open house where you can learn more about the DeLa Express Project, a proposed interstate long-haul pipeline project that will safely transport liquids-rich natural gas production from the Delaware production basin in West Texas to demand markets in and around Lake Charles, Louisiana.

The Project will consist of an approximately 690-mile, 42-inch diameter mainline pipeline, six lateral pipelines totaling approximately 66 miles, nine green-field compressor stations, multiple meter stations, and connected facilities. The DeLa Express Project represents a significant investment in U.S. critical infrastructure and is expected to provide multiple benefits for local economies along the project route.

This open house is part of the Federal Energy Regulatory Commission's (FERC) pre-filing process (Docket No. PF24-4-000). You can attend any of the meetings listed in this notice where you will be able to view maps of the latest proposed project route and displays of other informational materials. Attendees will also have the opportunity to meet the Project team members, provide comments, and ask questions. There will be no formal presentation, so please join us at any time during event hours. Light refreshments will be provided.
